SNOW REMOVAL

Due to the winter repair of Junior sails and boats, there needs to be regular snow removal around the clubhouse. If the Junior families share this responsibility, the task will not be as daunting. We need two families per week and 10 on-call individuals during the entire winter season. Families may need to bring their own equipment to perform snow removal. JUNIOR MEMBERSHIP

Sign up your child to be an SSYC Junior Member before summer sailing class registration begins!

Membership renewal is open now at ssycjuniors.org.

Renew by Monday, February 1st, if your child is taking lessons this summer.

If you know a family that is interested in having their children learn how to sail, please send their contact information or refer them to Rena Fischer at junior.advisor@ssyc.org.

JUNIOR MEETINGS

Normally the second Sunday of every month at 2 pm.
The January Junior meeting is cancelled.

The next Junior Meeting: Sunday, February 14th at 2 pm

JUNIOR ADVISORY MEETING (VIRTUAL)

Thursday, January 18th, 2021

6:30 pm -8 pm

<https://meet.google.com/xju-ymuq-hdn>

The Advisory Committee is for ANY ADULT JUNIOR FAMILY MEMBER who wants to help the Junior Advisor (Rena Fischer) or Junior Foundation President (Karen Wake) get things done for the Junior organization. This job is so immense that help is needed! Taking on more responsibility might seem daunting. However, volunteering for the Juniors can be done with friends, you'll be helping children in your immediate community, and your child will think you are really cool (hahaha...if they only knew...). Why not share your super powers with the Junior organization?!

Stay tuned for another Google Form &/or Sign-up Genius!
