Donations Still Needed

In order to maintain boats and the clubhouse, the Juniors organization needs tool donations. If you have extras, feel free to contact the Junior Advisor, Rena Fischer, at junior.advisor@ssyc.org.

Any tools are welcome, but we need some specific items, including:

- Small air compressor, hoses and nozzle
- Hose attachments for grinding, buffing, sanding, spraying, etc.
- Cordless drills
- Cordless tool batteries and chargers
- Multi-tool & plunge cut blades
- Disk sanding attachments for drills
- Caulk guns

YOU CAN DONATE ONLINE TOO!

You may also contribute a one-time or recurring, tax-deductible donation to the SSYC Junior Foundation at ssycjuniors.org.

If you would like to leave the SSYC Junior Foundation in your will, find out how by emailing Dick Olson, Junior Foundation Vice President and Fundraising Chair, at dickolson@plasticrep.com.

CORPORATE DONATIONS

The Juniors and its foundation has some lofty goals for 2022. Our sailing school is in dire need of at least one larger safety boat and to replace multiple sailing boats in our fleet, as well as update sails for these boats. This goal may run around \$50k-70k. If we are to match the quality of our fleet to the quality of our sailors in the shortest timeframe, we will need corporate donations.

If you own your own business or your employer is looking to give a much needed tax-deductible corporate donation to the Juniors, please contact Karen Wake (kwake@johnsonfinancialgroup.com).

GIVING CAMPAIGN

In this season of gratitude and giving, we know that each of you has a cornucopia of choices for charitable donations. The Junior organization is already grateful for the amount of volunteer time and funding that you already contribute. We humbly ask that you think of us when creating your list of charitable organizations to which you give. If you or a loved one are interested in putting the SSYC Junior Sailing Foundation in your will, please contact Stacy Trisco (stacytrisco.ssyc@gmail.com).

MAINTENANCE CLASSES

Boat and sail maintenance classes will be held again this off-season. Please fill out this form if you're interested: <https://forms.gle/WERqCLw2VWwCgGTy5>

SUMMER EMPLOYMENT OPPORTUNITIES

If you're looking for a summer job, stay tuned. Several summer full and part time employment opportunities with the Juniors will be posted in early 2022.

MEET CINDY LARSON

Cindy is serving on the Junior Advisory Committee as Events Chair. She has enjoyed the Yacht Club since meeting her husband Pete in 1996, and has two kids in Juniors, Suzy (13) and Harry (17).

As Events Chair, she will be working with the individual Event Coordinators to help plan and execute the Junior's special events. If you volunteer to coordinate an event, such as the Scavenger Hunt, Cindy will provide you with an event package. The package will include templates of all materials needed to run the event, key event contacts, and a basic timeline.

She is coordinating this year's Santa Event and looks forward to seeing you on December 4th from 1:00 to 3:00 PM.

Cindy is an executive responsible for delivery and operations at a Chicago based marketing agency.

INTRODUCING KATE NEWTON, GM OF SSYC

I have not yet met all of you, but am so impressed with the students and parents that are members of our Sailing School. I have been in the private club management industry for 30 years, most recently at Chicago Yacht Club and am so impressed with the SSYC crew and its progressive team. This group of instructors, the Junior Advisor and the Foundation has made advances each year and will continue to accomplish more in 2022. SSYC offers many opportunities for students to become accomplished at sailing, the nature of the water and being on the path to leadership through our program.

By joining SSYC, you have begun to take steps to further your development through safety lessons, supportive and gracious competition, practical experiences, education, and team successes. Combined with classroom theories and networking with peers and instructors, you are doing exactly what you need to do to be successful in the world of sailing.

Being a SSYC junior sailor is a great way to jump start your future! Don't just take my word for it; look around at the adult members of the Club to see years of sailing success. We look forward to adding your name to one of the Club's many trophies!

You know what they say "Land is a great place for boats to visit".

Safe Sailing,
Kate Newton, CCM
General Manager
