CORPORATE DONATIONS

The Juniors and its foundation has some lofty goals for 2022. Our sailing school is in dire need of at least one larger safety boat and to replace multiple sailing boats in our fleet, as well as update sails for these boats. This goal may run around \$50k-70k. If we are to match the quality of our fleet to the quality of our sailors in the shortest timeframe, we will need corporate donations.

If you own your own business or your employer is looking to give a much needed tax-deductible corporate donation to the Juniors, please contact Karen Wake (kwake@johnsonfinancialgroup.com).

GIVING CAMPAIGN

In this season of gratitude and giving, we know that each of you has a cornucopia of choices for charitable donations. The Junior organization is already grateful for the amount of volunteer time and funding that you already contribute. We humbly ask that you think of us when creating your list of charitable organizations to which you give. If you or a loved one are interested in putting the SSYC Junior Sailing Foundation in your will, please contact Stacy Trisco (stacytrisco.ssyc@gmail.com).

VISIT WITH SANTA

Visit With Santa made \$500 in donations, Harken calendar and City Tin sales. A HUGE thank you to all who donated their time and money and a special thank you to **Harken** for donating calendars! We couldn't do this without any of you!
