## MAINTENANCE CLASSES

Emily Joachim

The juniors have been busy at work repairing boats for the coming season! They are learning all about boat repair, including sanding, filling holes, and what materials to use. The boats are going to be better than ever this coming year.

We are meeting Saturday mornings from 9:30 -12:30 (weather permitting - It can get cold!) in the junior clubhouse - there is still plenty of work to do and lots to learn, so come join us!

If you plan to join, email [jracecoord.ssyc@gmail.com](mailto:jracecoord.ssyc@gmail.com) if possible so we know you are coming – and looking forward to seeing you there."

## GROUNDS CLEANUP

Junior Advisor

Sat, May 21, 2021 from 8:30am - 1pm In-person, outdoors at SSYC

This is a super important event for Junior Families!!!

- Setting up boats, organizing tools and boat parts
- Completing the data entry of sails
- Cleaning the clubhouse and surrounding area
- Tours of the Grounds for new Junior Families
- Social Networking
- Helping establish our Junior space on the grounds

Be sure to come dressed appropriately for the weather and dirty conditions. If you volunteer to help with the work, there is usually a free lunch.

All types of volunteers will be needed, so c'mon down!

## JUNIOR ID CARDS

Junior Advisor

We know the ID/Key Cards came out super late last year, but we pretty sure we've worked out those kinks. With that being stated, ALL Junior Members have the opportunity to get an ID/Key Card. Here is the info:

- Cost \$6.00
- Replacement cost is also \$6.
- ID pictures taken and cards will be made the first week of lessons (June 13th-17th).
- Limited access to the grounds (Fobs will be programmed for lesson times, Kaszube Cup, and various volunteering events).
- As before, you have the ability to give your child permission to make house charges on your SSYC Member number. There will probably be a form coming later, but I will need a count.
- Payment options (Cash or check on the day-of, online ahead of time, but with a service fee).

NOTE: If your Junior Sailor still has their old gate key card, they may continue to use it. If your child is no longer a member of SSYC Juniors, the card will be deactivated.

DOUBLE NOTE: If you need more than one card, because you have more than one Junior, you will have to fill out the Google Form for each Junior ID card.

***Parents, please [click here](#) fill out a form to request an entry ID for each of your sailors.***
